# Welcome

Welcome to Wear by Melissa, where fitness meets fashion with a purpose.

Founded with love and a passion for empowering women to live healthy, active lifestyles, our brand is more than just an activewear brand– it's a movement.

Crafted from recycled fabrics sourced from salvaged fishing nets, plastic bottles, and post-consumer waste, every stitch of our stylish apparel embodies our commitment to sustainability and the planet.

Join us as we sweat sustainably, striving for strength, style, and a greener future, one workout at a time. Together, let's embrace empowerment and make every stride count. ❤️
